The NYC Port Authority presents:

“Architectural Impressions”

an exhibition by Australian-based, Malaysian-born internationally renowned artist, Ping Lian Yeak

“Architectural Impressions” represents Yeak’s imaginative and colorful interpretation of various architectural structures throughout the world. His collection consists of colorful, intricately detailed drawings in watercolor and acrylics.

Yeak’s art has been featured in a Korean published book, titled ‘Knowledge’, which also included the Real Rain Man (Kim Peek), Albert Einstein, Abraham Lincoln, Warren Edward Buffett, William H. Gates, etc. His work has also been published in the USA – ‘Islands of Genius’ by Dr. Darold Treffert; ‘Real Reading 3 – Creating an Authentic Reading experience’ – an English textbook published by PEARSON Longman; ‘Drawing Autism’ by Jill Mullin; and ‘Artism: The Art of Autism’ by Debra Hosseini.

He has participated in solo and group exhibitions internationally and at The United Nations, The Henry Gregg Art Gallery, Cooper Union, Carnegie Hall, The Salmagundi Art Society, The Michael Schimmel Arts Center and Pace University in New York City.

At the young age of 15, Yeak experienced the official opening of his personal gallery in Malaysia – ‘Ping Lian @ The Art Commune’ featuring a permanent showcase of his works in Malaysia, established by The Art Commune and supported by JPMorgan Chase Foundation (2009) in collaboration with ABWM. Ping Lian was also filmed at the official opening of the gallery for a documentary, ‘Asia’s Wonder Kids’ for Channel News Asia (CNA International and CNA Singapore). Ping Lian Yeak is one of very few recognized “prodigious” savant artists in the world. He creates magnificent works of art using charcoal, acrylic, water color, ink and oil. His art works have been featured in exhibitions in the US, UK, Australia, Germany, Japan, Korea, Singapore and Malaysia.

Ping Lian's gallery @ The Art Commune has recently relocated and is now
Ping Lian Art Gallery @ The Settlement Hotel in Melaka, Malaysia.
